

EQUIPMENT REQUIREMENTS FOR ALL EXAMS

What would you think of a Builder who turned up to do work at your home and asked to borrow the tools he needed to complete the work - a saw, hammer, nails?

It is the responsibility of all candidates to come prepared and bring the correct equipment – their tools - to exams. They cannot achieve their best without the necessary equipment.

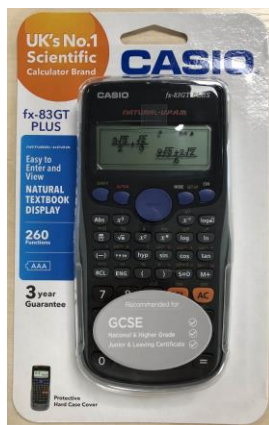

JCQ regulations state that equipment should be in a clear pencil case or Ziploc-type bag. Our exam packs conform to the regulations.

£1.50 Exam Pack and Geometry Set
ParentPay or Cash - available from the Main Office.

2 Black Pens, 2 Pencils, 15cm/6" Ruler, Pencil Sharpener, Eraser, Compass and Protractor.

These are supplied in a regulatory see-through zipped pack.

£9.00 Scientific Calculator
ParentPay or Cash - available from the Main Office.

A good quality scientific calculator which conforms to the standard required for GCSE Maths, Biology, Chemistry, Physics, etc.

**PLEASE ENSURE THAT YOUR SON IS PREPARED TO
ACHIEVE HIS PERSONAL BEST**
