

Request for volunteers for... **Careers Speed Networking Challenge**

at The Forest School, Horsham
Wednesday 16 October 2019 9.00 am. - 12.30 p.m.

What's in it for the students?

Local business volunteers will be working with small teams of Year 9 students (aged 13 -14 years), to enable them **to learn about the World of Work**. The objective is for young people to learn about job roles, what skills and qualifications they will need and to enhance their knowledge and understanding of the range of career opportunities available to them in the future.

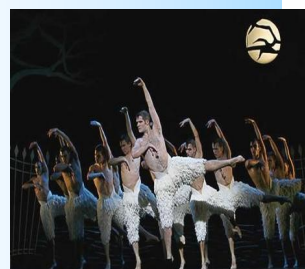

What's in it for you?

This is a great opportunity to raise awareness of your business, network with other businesses, put something back into the community and have some fun!

The Activity

Students will try and guess what you do for a living by asking as many questions as they can in three minutes. You can only answer with a 'yes' or 'no'! Once their three minutes is up you will have 7 minutes to chat with the students about your current job role, how you progressed into it and what skills/qualifications are needed. qualifications you've needed along the way. Please feel free to bring some props to aid your explanation!

To register as a volunteer...

The challenge will run from 9.00 a.m. – 10.30 a.m. with half of the year group and then again from 11.00 a.m. – 12.30 p.m with the other half. You can attend for one or two sessions. You will need to arrive at the school about 20 minutes before the start of your session. All volunteers will be provided with briefing notes prior to this event. If you can help please contact Beth Mulligan at The Forest School.
