

GCSE Media Studies

Is this the right course for you?

You need to be able to work independently

You must be able to meet deadlines

Are you ...

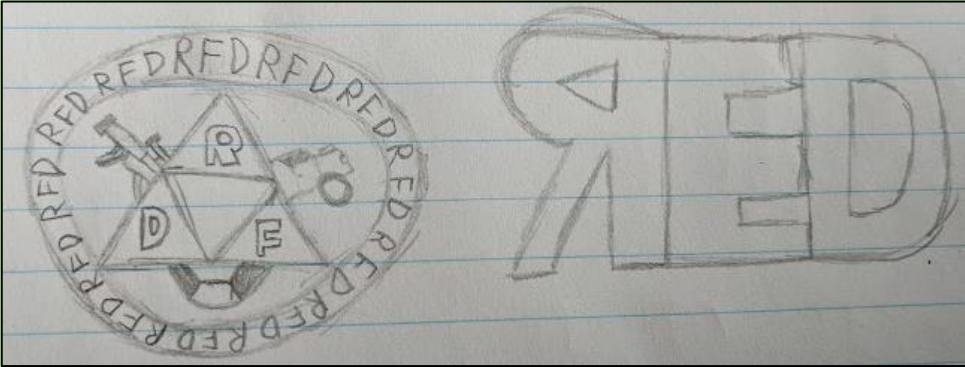

Interested in the media?

Looking to learn about production techniques?

Hoping to create your own

Youtube / Twitch or creative projects?

GCSE Media Studies

Where this GCSE may lead you..

Any media related field!

Game design, video production, website optimisation, crypto mining...

What some of the current Y11/Y10 Students are saying:

'Because I learn stuff while having fun'

'We get to make our own projects'

'I have a lot of control over what I do'
