

# LIFE SKILLS

## BTECS IN WORK SKILLS, SAFE ROAD SKILLS AND ATTITUDES

### Course Details:

- Designed to support development in a variety of life skills
- Evidence based portfolios
- Internally moderated
- Level 1 courses – approximately D/E grade
- Non exam (with the exception of Road Skills)

# **BTEC WORK SKILLS, SAFE ROAD SKILLS AND ATTITUDES**

## Work Skills

Consists of approximately 130 hours of learning split over different topics:

- Preparing for work
- Personal identity
- Money and finance
- Working as a volunteer
- Building working relationships with colleagues

# BTEC WORK SKILLS, SAFE ROAD SKILLS AND ATTITUDES

## Road Skills

Consists of approximately 130 hours of learning split over 4 different topics:

- Preparing for a safe journey by road
- Recognising safe road use
- Maintaining own and others safety in relation to vehicles
- Rules of the road – this is an online exam (Driver Theory Test)

Passing this course entitles you to a reduced driver theory test and a reduction in cost

# BTEC LIFE SKILLS

To support learning various visits, talks and activities will take place:

Examples are:

- Visit Ford MRF to see what happens to our recycling
- Careers talks by firefighters, police detectives, border control officers, mechanics
- Teamwork challenges with the Army Outreach Team
- Completing voluntary work
- Driving experiences
