C Worthing Express	I Hailsham
D Crawley	J Eastbourne
E Newick	K Seaford
F East Grinstead	NL Netherfield

PROFILE: THE NEXT GENERATION

JOSEPH HART – TRAINEE GAMEKEEPER, SANDRINGHAM ESTATE

“Studying at Plumpton has helped uncover and develop my passion for gamekeeping and the methods around managing land to benefit gamebirds and the wider environment. I love getting involved with the running of shoot days and have even assisted the Plumpton College game department run several commercial shoot days throughout the season.

My Programme Manager has been so helpful in fostering my passion for gamekeeping and helping me decide how best to progress within the industry. Having helped place previous students at Sandringham, my Programme Manager helped identify a new vacancy at the Estate and encouraged me to apply. I am over the moon to say that my application and interview were successful, and I secured my dream job!”

Level 3 Game Management (2018 – 2019)
School attended: Uplands Community College

PROFILE: THE NEXT GENERATION

BETH KEYZER – SAILING SUPERSTAR

“I started out studying A Levels at my local sixth form, but quickly realized this was not the right path for me. I heard about the Adventure Education course at Plumpton and decided that this would be a better fit for me despite the fact I had minimal outdoor experience.

My time as a student at Plumpton gave me some of the best experiences of my life. I went from a complete novice before studying, to sailing around Britain and now work on a 72ft sailing boat for a large travel company. I’m currently working towards gaining my Yacht Master qualification and set for a future career in the sailing industry. Another incredible part of the course is also the trips: I have been sailing in Sweden, climbed mountains in Snowdonia; all those trips allowed me to become more confident and skilled in various adventurous activities.”

Level 3 Adventure Education (2016 – 2019)
School attended: Warlingham School
